28 Oct 10 different Frintants hit up on U-2 flight 27 Oct;
only 1 landing, 19 Oct. This didn't happen later.

Also, multi-channel comm channel, air defense, Russian, on 27 Oct.

14 April 64 On night of 26 Oct 62 an "attack" on an unidentified Sov
camp was in progress. The nationality of the attacking forces was
not national. This attack was possibly directed against the
Los Angeles SAM site adjacent to the Barnes site and believed
to be in direct comm. with them. During this time, M informed
(Barnes commander)

X at Santiago de Cuba that he was "advancing" with his unit.

Later M indicated that three persons may have died during his "advance"
and that 15 others were wounded. Subsequent discussions indicated
mentioned requirements for surgeons and the dispatch of seven doctors

[Timing?] M ultimately requested that a report of the whole affair be sent to
Vf a later conversation revealed he was to report to Vin person the following
morning. The US recon mission was shot down the morning after [?] the

incident, presumably by the Los Angeles SAM site.

V- Col. Gen. of Aviation Viktor Davidkov, prob. SEC commander till
departure 31 Aug 63

M: "I have a suspicion that there has been an attack" ... "one of
our comrades was shot and wounded." mentioned a vehicle had
overturned and that he was "advancing" with his unit. Later,
MAL'TSEV indicated "3 persons" may have died during his "advance," and
15 others wounded. needed two surgeons. 1 doctor sent
[other casualties?] V wanted M to report to him in person
"tomorrow morning" — "at what time?"

[Attack on Banes?]

[What ~~not~~ you that, now,

(This attack was not Banes cruise missile site — though can't exclude —
because M was "advancing." Nothing on attackers — could be Castro troops.

This attack over by morning, but can't exclude SAM site still held by
morning. What indications site was held at all? That prisoners were

taken? (CIA note) When was insurgent attack reported at time? Any report
on Castro surrounding a site with troops?
